College Works Painting

To Whom It May Concern:

We recently had our home painted by a team from your organization, led by Ben Searer. We are very pleased with the work that was done, and the extra effort that they made to ensure that we had the results that were expected. Ben did an excellent job of making sure that the colors were right and that the job was completed to our satisfaction.

All of the young men (Ben, Dan, Ryan and Brad) who were involved with the project were very courteous and willing to go the extra step to make sure it was completed in a timely manner. We, therefore, would not hesitate to recommend their work to others.

Sincerely,

Jesse & Susan Smart
